

THE LIVING TEACHING OF ADVAITA

With Wayne Liquorman

31 March - 2 April
De Roos - Amsterdam
www.advaita.org

"We gather together in this Teaching, not because the truth can be known, but because the truth is inescapable."

Meet Wayne Liquorman in Amsterdam

for an intimate sharing of the living Teaching of Advaita.

With his elegant simplicity Wayne has a unique style of pointing to the timeless Truth of what we are. Just like his beloved Indian guru Ramesh Balsekar, Wayne teaches in a way that is both vibrantly alive and approachable for each and everyone who is moved to listen. Join us for a gathering that is stripped from dogma and infused by a Peace that is fundamental.

There will be plenty of opportunity for dialogue and questions with Wayne.

We are extra happy for Wayne to return to Amsterdam since his last visit in 2018.

Language: English
